

Please join **Caldwell Mayor Garret Nancolas** and the **Idaho Transportation Department** to break ground on the reconstruction of the **I-84 Franklin Interchange** in Caldwell.

FRANKLIN INTERCHANGE RECONSTRUCTION PROJECT

I-84 FRANKLIN INTERCHANGE RECONSTRUCTION DEC. 1, 2006 GROUNDBREAKING CEREMONY

Forty years after the I-84 Franklin Interchange opened in 1966, it's time to rebuild. The Franklin Interchange Reconstruction project will double the capacity of the overpass, ease congestion on interchange ramps and improve access to Caldwell from I-84.

CELEBRATE THE GROUNDBREAKING WITH US:

WHEN: Dec. 1, 2006 at 2 p.m.

WHERE: See directions on opposite side

Parking will be available at 901 Specht Ave.

COME TO AN OPEN HOUSE:

ITD staff and the contractor will be available to answer questions about the project. A construction schedule, map and project timeline will be at the open house.

WHEN: Nov. 30 from 4 - 8 p.m.

**WHERE: Idaho Health &
Welfare Building**

3402 Franklin Road, near the Flying J

**For project details call
ITD Public Affairs at 334-8005**
